

Call for Abstracts to the World Eye Bank Symposium III – Barcelona. June 15th 2018.

Instructions:

1. Abstracts are for presentations only. WEBS will not be accepting poster abstracts.
2. WEBS does not cover registration and attendance. All delegates and abstract presenters are responsible for their registration and attendance requirements.
3. Individuals may only submit one abstract.
4. The submitter of the abstract must receive the approval of all co-authors before including their names on the abstract.
5. Co-authors may appear in more than one abstract.
6. Abstracts must be original research. Research may not be split in to multiple abstracts.
7. Research involving human donors or animals must adhere to the Declaration of Helsinki – World Medical Association, and demonstrate ethical clearance on use of human donated tissue
8. Abstracts and presentations must be in English.
9. Presenters and co-authors must disclose conflicts of interest.
10. There will not be an abstract replacement period.
11. GAEBA and WEBS reserve the right to reject or decline abstracts at any stage.

Themes:

GAEBA upholds bioethical standards and practice, and supports a harmonious and open approach to sector advancement. GAEBA encourages the sharing of knowledge and resources.

All presentations must be global in nature or provide examples that can be translated and applied by other delegates in their own practice. GAEBA welcomes abstracts that explore:

Global/regional/local blindness	Donor dignity and management
Geographic risk variance	Transnational/cross-border activities
Cellular therapies	Ethical practice/conduct
Endothelial corneal transplant/dysfunction	Research and development
Management/ workforce development	New technologies
Microbiology/ immunology	Sclera, amnion, and other services

Submission:
